

PE and Sport Premium 2017/18

Background

The PE and Sport Premium is designed to help primary schools improve the quality of the Physical Education (PE) and sports activities they offer their pupils. Most schools with primary-age pupils receive the PE and Sport's Premium. The department for Education give further details on these:

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

VISION

All pupils will leave primary school being physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE

To achieve self-sustaining improvement in the quality of PE and Sport in primary schools.

Indicators of such improvement include:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

ALLOCATION for 2017/18

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. For the financial year 2017/2018 Cuffley School should receive approximately £19,600.

CURRENT PROVISION

Our curricular and extra-curricular provision includes a wide range of opportunities for pupils, including: football, netball, tag rugby, tennis, sailing, swimming, athletics, karate, yoga and fitness sessions etc.

We have play leaders in Year 6 who support our younger children at lunch times.

Our PE lead is part of two local consortia: Potters Bar and the Waltham Cross Sports Association (WDPSSA). A wide range of tournaments and competitions are entered including: netball, football, tag rugby, swimming, cross country and athletics. There is participation in the local football and netball leagues for children in Key Stage 2.

Academic Year: 2017/2018

*Primary PE & Sport
Premium
Key Outcome
Indicator*

1. The engagement of all pupils in regular physical activity throughout the school day – kick starting healthy active lifestyles.

2. The profile of PE and sport being raised across the school as a tool for whole school improvement.

*School Focus/ planned
Impact on pupils*

Continuation of sports-leader led lunch breaks, through the use of Elite Sports, encouraging an active play. Increase the attainment levels of the covered sports.

Ensure that there are additional resources and facilities for pupil participation.

Total fund allocated: £19,600

Actions to Achieve

Employ sports-leader for 3 lunchtimes a week to support games in KS1 and KS2.

Purchase additional play/sport resources to support break and lunchtime play.
Train Play Leaders in Years 5 & 6 to support younger children in their play.

Funding

£5,000 - Lunch time provision for Sports Leaders

Structured games sessions for children enabling higher engagement in activities; greater enjoyment for children; improved fitness through increased activity.

Sports Coach has shared skills with children and lunchtime staff. Children play similar games independently.

£1000

Children who are play leaders wear tabards to show their role. They are fully engaged with younger children. Games are structured and there is a high degree of participation. Younger children can continue to play games independently.

Impact

*Sustainability/
Next Steps*

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.	<p>Pay for PE Leader to participate in relevant CPD and consortia conferences/meetings</p> <p>Provide for staff CPD on a range of areas</p>	<p>Identify relevant training/conferences and release PE leader to attend.</p> <p>Hold staff INSET on areas of development.</p>	<p>£1000</p> <p>PE Lead attends consortium meetings and co-ordinates a broad range of activities for children. School participation in tournaments and competitions is high and school is well known for good sports provision and attainment.</p>
4. Broader experience of a range of sports and activities offered to all pupils.	<p>Ensure children have a wider breadth of sports on offer</p> <p>Improve both curricular and extra-curricular provision</p>	<p>Continue to offer fitness sessions to children from Years 1-6 provided by qualified coach.</p> <p>Introduce yoga to Years 1-6.</p> <p>Specialist provider to put in place additional opportunities for Early Years (Karate)</p> <p>Dance Workshops to enhance the provision of specialist dance tuition</p>	<p>£7,500</p> <p>Children highly engaged in fitness and yoga sessions with trained specialists. Teachers' skills have been enhanced. Improvements in skills and motivation have been observed by teaching staff.</p> <p>Children are enjoying the additional provision and have become more active and fit.</p>
5. Increased participation in competitive sport.	<p>Maintain membership of local consortia and WDPSSA.</p>	<p>Allow children to compete in a wide variety of competitions and tournaments.</p>	<p>£500</p> <p>School continues to participate in (and achieve well) in various competitions and tournaments.</p>
6. Support for individual pupils suffering financial hardship to take part in sports activities	<p>Ensure all children are offered a range of activities regardless of ability to contribute to cost.</p>	<p>Fund individual places/sessions for pupils who cannot afford to take part.</p>	<p>£1000</p> <p>Children's confidence is increased as they are enabled to participate in additional sports activities.</p> <p>Children's skills are strengthened and they are supported in developing them.</p>

7. Provision of Healthy Living Sessions focussing on health and wellbeing as well as fitness.	David Greene's 'Move It' programme targeting children (and their families) to examine their diet, health and fitness.	Provision of two sets of sessions for Years 3 & 4.	£2000	This project impacts on children and their families as parents are invited in to the sessions. Feedback is very positive from children and parents.
8. Provision of inclusive, extra-curricular sports clubs to improve health and fitness and to train children to take part in competitive events.	Extra-curricular clubs run by a range of providers, including teaching staff, including football for girls and boys, netball, dance, golf, ball skills, tennis.	Clubs run every day after school and are appropriately resourced.	£1,600	Clubs are inclusive – all children are invited to join, regardless of ability. This improves their confidence and their fitness. Able children are able to train to take part in competitions and tournaments. Profile of sports achievement is raised in the school.
