Learning to Learn

22rd April 2021

Welcome to the New Term

I hope that everyone had a good break over Easter. Thank you for your kind words, flowers and chocolates – they were much appreciated by the staff.

Class Photographs

Tuesday 27th April

A date for your diary – please note that the school photographer will be coming in to take class photos on 27th April.

Summer Term

We have now started our summer term and the weather is getting warmer, please ensure that you child has a refillable water bottle for use at school as our water fountains have been disabled, in line with our risk assessment.

Also please apply suntan lotion to your child and make sure they have a hat in school to wear during break and lunch times.

Our summer uniform can now be worn. All children are expected to wear the correct uniform at all times. To refresh every one of our summer uniform, please visit our school website – [Cuffley School](http://www.cuffleyschool.org)

Year 6 Leavers Production

This time of year is always an exciting time for our year 6, as they are starting their preparations for the year 6 production. This year, however, it will be slightly different from previous years. As parents are unable to come into school to watch the performance, we will be filming the production. More information on this will be sent out to all year 6 parents.

Parent consultations

Parent consultations will be taking place on the week commencing 28th June. We are unsure at this stage if we will be able to hold parents consultations in person. Once we have more information, a communication will be sent all parents.

Magic Moment

Its lovely to see Year 4 in their Yoga class.

What's On
