PTA – Pre-loved Uniform Sale

A pre-Loved uniform sale is being held on **Friday 11th June at 3:00 – 3:30pm**; the stall will be located in the KS2 bottom playground, near the vehicle entrance.

Thank you for all your kind donations.

The Cuffley Census

As part of the geography curriculum, this week the children have been collecting a range of data about Cuffley to create our very own census.

You may have seen us out and about at the entrance to the school, on the local roads and in Cuffley, where we have been collecting information on everything from road usage, traffic surveys, topographical features and water samples.

It has been a really exciting and practical week, which the children have loved taking part in. Once their findings have been collated, they will be presenting them at a whole school virtual assembly on Friday.

Considerate Driving and Parking

A plea to all of our parents and carers to respect each other, other road users and our neighbours. We have had quite a few complaints recently about blocked driveways and aggressive behaviour. The behaviour of a few really does reflect very badly on the school and our standing in the community.

Our New Deputy Headteacher

I would like to extend a warm welcome to our recently appointed Deputy Headteacher, Charlotte Lloyd, who will be joining us on 1st September 2021. Charlotte has lots of teaching experience, most recently in central London. She is an English specialist, with a passion for teaching and learning. She has asked me to share the following with you:

My name is Charlotte Lloyd, and I wanted to write a few words to introduce myself as next September I will be starting as the new Deputy Head Teacher here at Cuffley School. I wanted to tell you a little bit about myself and my first impressions of Cuffley.

Let me start by saying that I feel very privileged to have been appointed as Deputy Head of such a fantastic school which is populated by a terrific community of children and adults alike. When visiting the school, I have been greatly impressed by the levels of hard work and courteousness demonstrated by the children. I felt extremely welcome, and I look forward to taking the time to get to know the children all a little better in September. I shall be making myself as visible as possible, at the beginning and end of the day, catching up with the children during break times and lunchtimes, as well as visiting classes and talking to the children about their learning.

Prior to starting at Cuffley, I have spent twelve years as a class teacher and senior leader in Peterborough and Inner London. My passion is in ensuring that all children receive a high quality education that is equal parts enjoyable, enriching, challenging and nurturing. I have been fortunate enough to work with outstanding colleagues and highly motivated children, and I look forward to using this experience and knowledge to drive through positive whole school developments for the benefit of all the children at Cuffley.

Finally, I wanted to say that I look forward to meeting you all in September (if not beforehand) and sharing the journey that your child takes through this wonderful school.

School Drop off and Pick up

Please remember we currently have a one way system in operation at school. Drop off is 'soft' and children can come into school between **8:45** and **9:00am**. Collection is at **3:15pm**. Please enter the school via the pedestrian gate and exit via the vehicle gate. If you are going to be late for any reason, children should be dropped off or picked up from the school office. Thank you.

Parent Consultations

We will be holding our summer term parent consultations during the week beginning 28th June. Thank you to those who completed our survey, 86% of parents would like an in person consultation.

Magic Moment

We have the privilege of sharing so many special moments with our children here at Cuffley. Watching the Nursery children perform the Tango has to be one of the most recent highlights! It was joyous.

Happy Half Term

Thank you all for your commitment and support to us this half term. The children have certainly worked incredibly hard. I hope that you all have a well-deserved break. We look forward to welcoming you back on Tuesday 8th June at normal times.
